National Realty Partners, (NRP) is happy to provide an owner portal for all owners. This portal allows us to provide the most advanced and secure accounting and property management services possible. The portal also helps ensure transparency for our Board Members and homeowners as you can access features of this portal at any time from any computer.

Several features offered by the portal include:

- Convenient bill pay service including use of one time or recurring eCheck, credit card payments or auto draft.
- An interactive communication tool between you and your Community Management Team
- The ability to send service requests and view their status
- The ability to submit architectural requests to your board or committee
- A place to easily view and respond to notices and emails from your community
- A platform through which to get current information about your community
- And much more!

To ensure you receive all communication from NRP and your Community Management Team, please be sure to add communications@nrpartnersllc.com to your "safe
